**Report of Action Taken on Feedback by the Institution (2018-19)**

<b>Feedback from Teachers</b>	<b>Action taken</b>
Requirement of a new routine to accommodate different subject choices as per the newly introduced CBCS system	The Routine Subcommittee restructured the Master Routine before the beginning of the academic session.
Requirement of new books in accordance with newly introduced CBCS system	Text and reference books aligned with the new CBCS syllabus were purchased in the library according to the suggestions of respective departments. For books that were not available in print version, links to e-books were provided.
Need to increase student awareness on employability skills and placement opportunities	The Placement Cell was reconstituted to organize placement related programmes, talks, and other initiatives to equip students with necessary skills for the job market.  Seminar on Fintech Technology was organized by the Commerce Department in collaboration with Bombay Stock Exchange on 29.03.2019.
<b>Feedback from Students</b>	<b>Action taken</b>
Need for suitable industry-oriented skill training	The college signed an MoU with Right Brains Technology to offer certificate courses in Web Design, Advance Excel Training Programme and Digital Marketing, and an On-job Training Programme 'Entry in Service'
General lack of awareness on the grievance redressal mechanism of the college among the students	The Grievance Redressal Subcommittee was restructured, and widely publicized, to better respond to students' grievances and suggestions on improving the academic, administrative, and overall college environment.
Financial support required by economically disadvantaged students to continue studies	29 students were provided with financial support by the college under the Students Aid Fund.
