Report of Action Taken on Feedback by the Institution (2023-2024)

Feedback from Students	Action taken
Need for better canteen facilities for students	The college canteen was renovated, extended and upgraded with better facilities and more space.
Need for better toilet facilities for students	The renovation of students' toilets was completed on a priority basis.
Necessity for updated computer facilities to accommodate updated software	Ten old computers were replaced with new ones in the college Computer Room.

Feedback from Teachers	Action taken
New subjects need to be introduced in the college to be offered as options for Interdisciplinary Courses (IDC) under the newly-implemented CCF 2022 curriculum, in alignment with the NEP 2020.	Social Science, Human Rights, and Hindi were introduced as IDC with necessary permission and approval from the university.
More flat panels/ smart boards required for classrooms	Four flat panels were installed in the classrooms.
