### Acharya Prafulla Chandra Ray Memorial Lecture

09<sup>th</sup> September, 2022

The Acharya Prafulla Chandra Ray Memorial lecture of 2022 was delivered by Dr. Amitava Das, Professor of the Department of Chemical Science, IISER, Kolkata on 09<sup>th</sup> September, 2022. He spoke on 'Recent Thoughts on Sustainable Environment'. The thrust of his speech made it obvious how the recent environmental crises are affecting human lives on various levels. Dr. Das elucidated the concept of sustainability and highlighted the necessity of maintaining an ecological balance in our planet's natural environment and conserving natural resources to support the well being of current and future generations. While speaking on the issues on carbon footprints, green house gas emissions, global warming etc. he has put emphasis on the effectiveness of a sustainable lifestyle.

The programme was attended by the teachers and the students of the college alike. The speaker was given a memento of a sapling which itself highlighted the issue of sustainable environment. It was held in the College auditorium and was a great success.
